Compliance with P.L. 107-110, Section 1111(h)(6)(A)

The Federal *No Child Left Behind (NCLB) Act* of 2001 requires school districts that receive federal Title I funding to notify parents of their right to know the professional qualifications of the classroom teachers who instruct their child.

As a recipient of these funds, Boston Renaissance Charter Public School will provide you with this information in a timely manner if you request it. Specifically, you have the right to request the following information about each of your child's classroom teachers:

- ❖ Whether the teacher meets the state qualifications and has "highly qualified" status under the terms and criteria outlined in the No Child Left Behind Act, for the grades and subjects he or she teaches.
- ❖ Whether the teacher is teaching under emergency or provisional status because of special circumstances.
- ❖ The teacher's college major, whether the teacher has any advanced degrees, and the field of discipline of the certification or degree.
- ❖ Whether paraprofessionals provide services to your child and, if so, their qualifications.

Boston Renaissance Charter Public School is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. If you would like to receive any of the information listed above for your child's teacher, please contact the NCLB Coordinator, Dorothy Warwick at 617-357-0900 extension 1113.
